

The address is 600 West Street, Hollister CA 95023. Here's the directions I sent to our regulars when we moved:

While I can't think of any regulars who haven't played at Dunne Park before, it probably best to remind people of the location. The clubhouse is at the corner of West Street (north-south) and Sixth Street (east-west). Coming down Highway 25 from 101 you turn right onto San Felipe/San Benito St. (same road) at the light on 25. The signs will point you to Downtown Hollister. Continue on San Benito south until you enter the one-way section in the middle of downtown and turn right onto Sixth St. The crude black cross on the map below locates the clubhouse.

The best way to get back to Hwy 25 North is to use West St. to go up to and turn right on 4th St., then go east to San Benito and turn left to go north back the Hwy 25 retracing your path.

As always, it's a bit smoother if I know who's coming, but using Dunne Park makes last minute decisions work fine (other than missing the 11 AM start). If you have questions or need a partner, please call me. This email or text/voice to 831 524-4883 will work.

Thanks,
